EXTRACTS FROM "THE ENGINEERING PROFESSION ACT"

being Chapter 38, Statutes of Manitoba, 1920, as revised by Chapter 73, R.S.M. 1954, and Chapter 53, S.M. 1961.

INDIVIDUAL SEAL

18. Every person registered under this Act shall have a seal, the impression of which shall contain the name of the engineer and the words "Registered Engineer, Province of Manitoba," with which all estimates, specifications, reports, working drawings, plans and other documents issued from his hand shall be sealed. R.S.M., c. 63, s. 19.

CERTIFICATE OF REGISTRATION

24. (1) The registrar shall issue to each professional engineer registered under this Act a certificate of registration, stating that the person whose name is inscribed thereon is entitled to engage in the practice of professional engineering in the Province of Manitoba. (2) The certificate shall be signed by the president and the registrar under the seal of the Association and shall remain the property of the Association, subject to recall by the registrar upon the name of the holder being struck off the register for any cause. R.S.M., c. 63, s. 25; am.

38. ENGINEERING PUPILS

Any person resident in the Province of Manitoba who is registered as a full engineering undergraduate student in the second or any subsequent year in the Faculty of Engineering at the University of Manitoba, may be enrolled with the Association as an Engineering Pupil, and may remain in this classification until graduation.

All persons so enrolled shall pay to the Association annually the sum of two dollars (\$2.00).

39. ENGINEERS-IN-TRAINING

Any person qualified for registration with respect to educational requirements as required by Section 13 of the Act but who has not had experience satisfactory to Council, may be enrolled as an Engineer-in-Training provided he is engaged in some line of endeavour which will provide the opportunity for him to acquire the necessary experience. He shall not remain in this grade longer than the time deemed necessary by Council for him to qualify for registration.

All persons enrolled as Engineers-in-Training shall pay to the Association annually the sum of \$10.00.
